Demolition Projects update

D&D work continues on the former Industrial Relations Building (28B) and Security Building (28A). Wise Services Inc. is currently working on the interior demolition of 28B. In early September, Wise began removal of asbestos contaminated material and interior demolition in 28A. In mid-September, structural demolition of 28B and the former turnstile area will begin. For more information on D&D Projects, visit the Web site at www.fernald.gov/cleanupproj/d&d.htm, or contact John Trygier, DOE-FEMP D&D project manager, 513-648-3154, email: john.trygier@fernald.gov.

New hours for the Public Environmental Information Center (PEIC)

Beginning October 2, the PEIC will be changing its hours of operation. The regular operating hours for the center are: Monday through Thursday from 7:30 a.m. to 5 p.m. and Friday from 7 a.m. to 4 p.m. If you have additional questions, contact the PEIC, 513-648-7480 for more information.

Technology Needs meeting

On September 19 and 20, DOE will sponsor a Post Closure Stewardship Technology Needs meeting at the Kingsgate Conference Center on the University of Cincinnati campus. Speakers will include Jim Werner, DOE Director of the Office of Long Term Stewardship, representatives from Sandia National Lab, Idaho National Engineering and Environmental Laboratory, University of Cincinnati, Florida International University, Fluor Fernald and Cinergy. To register for this meeting or for more information, contact Martin Prochaska, 513-648-6555, email: marty.prochaska@fernald.gov.
